SUBJECT: **FUNDING AUGMENTATION FOR JMO-INTERNATIONAL
SKILLS DEVELOPERS, CONTRACT NO. H-801657**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for JMO-International Skills Developers using the delegated authority granted by approval of Board Agenda Synopsis #42, May 31, 2005. This agency's agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of Public Health or his designee to make such funding changes.

I am recommending this funding increase based on the Sobky v. Smoley court litigation where agencies are allowed to request funds to cover additional persons eligible for Drug/Medi-Cal services. The current and proposed funding amounts are as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment

Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.
